

**Tariffs for legal entities / peasant (farm) households / individual entrepreneurs / notaries / lawyers / private
court bailiffs and professional mediators**

SECTION 1-1. Tariffs for settlement and cash services for legal entities (large-scale business, except for banks)

Comments: The amount of the commission in the currency set by these Tariffs, not indicated as "by the Bank's rate", is calculated using the official exchange rate of the National Bank of the Republic of Kazakhstan at the time of transaction.

The Bank's rate is the currency exchange rate set by the Bank at the time of the currency exchange transaction.

As for the VATable Bank's commission, VAT is included in the price.

If the tariff is reflected in the form of a fixed amount, the tariff is charged for each operation / document.

If the tariff is reflected in the % (percent) ratio, the % (percent interest) is charged on the amount of the transaction in accordance with the tariffs at the time it was committed, but not less than the set minimum and not exceeding the set maximum (if any)

For branches of Subsidiary VTB Bank JSC (Kazakhstan) in Atyrau, Aktau, Aktobe and Uralsk, the commission for accepting payment orders during non-operational time subject to technical Bank's possibility (commission is charged in addition to the main commission) is charged from 4.30 pm of the Astana local time.

Remunerations of counterparty banks (third banks), and other additional costs for the Clients' orders execution are reimbursed (paid) by the latter at the actual cost of the expenses incurred.

*This tariff is valid only in the framework of the ongoing Product Actions of the Retail Business Development Department.

** The amount of accepted cash is established by the decision of the authorized body of the Bank.

***When the Bank provides the client of a corporate business with access to integration within the framework of the RBSS "Internet banking" (upon the discretion of the Bank, including and considering the technical capabilities of the Bank and this customer, and also in accordance with the terms of the Bank's specified service reception within RBSS Internet-banking), this tariff includes the cost of access to integration, as well as the cost of its use (including reception, processing and execution of electronic requests transmitted through integration).

SECTION 1-2. Tariffs for settlement and cash services for legal entities / peasant (farm) households / individual entrepreneurs / notaries / lawyers / private court bailiffs and professional mediators (medium and small business)

Comments: The amount of the commission in the currency set by these Tariffs, not indicated as 'by the Bank's rate', is calculated using the official exchange rate of the National Bank of the Republic of Kazakhstan at the time of transaction.

The Bank's rate is the currency exchange rate set by the Bank at the time of the currency exchange transaction.

As for the VATable Bank's commission, VAT is included in the price.

If the tariff is reflected in the form of a fixed amount, the tariff is charged for each operation / document.

If the tariff is reflected in the % (percent) ratio, the % (percent interest) is charged on the amount of the transaction in accordance with the tariffs at the time it was committed, but not less than the set minimum and not exceeding the set maximum (if any)

For branches of Subsidiary VTB Bank JSC (Kazakhstan) in Atyrau, Aktau, Aktobe and Uralsk, the commission for accepting payment orders during non-operational time subject to technical Bank's possibility (commission is charged in addition to the main commission) is charged from 4.30 pm of the Astana local time.

Remunerations of counterparty banks (third banks), and other additional costs for the Clients' orders execution are reimbursed (paid) by the latter at the actual cost of the expenses incurred.
