

Tariffs for individuals

Tariffs for settlement and cash services for individuals

Comments: Bank fees shall be paid in tenge or in foreign currency - at the choice of the Client, except as defined by the currency legislation effective in the Republic of Kazakhstan, and the amount of the fee in a currency other than the currency established by these Tariffs, shall be calculated using a discount rate of the National Bank of Kazakhstan (hereinafter referred to as the NBK) at the time of the transaction.

In case of reflection of the tariff in % (percentage) ratio, the % (percentage) in accordance with the tariffs shall be charged on the amount of a transaction at the time of the transaction, but not less than the established minimum and not more than the established maximum (if available).

By Bank fees subject to VAT, the VAT is included in the price.
