

Appendix 2
to Regulations on general terms and
conditions of banking and other operations
in Subsidiary VTB Bank JSC (Kazakhstan)

Bank Tariffs and Fees for legal entities / individual entrepreneurs / farms

Tariffs for settlement and cash services for legal entities / individual entrepreneurs / farms (except banks)

Comments: Bank fees shall be paid in tenge or in foreign currency - at the choice of the Client, except as defined by the currency legislation effective in the Republic of Kazakhstan, and the amount of the fee in a currency other than the currency established by these Tariffs, shall be calculated using a discount rate of the National Bank of Kazakhstan (hereinafter referred to as the NBK) at the time of the transaction.

The Bank Rate is the rate of conversion / converting of non-cash currency set by the Bank at the time of an operation for non-cash transactions for purchase/sale of currency conducted by the Bank

By Bank fees subject to VAT, the VAT is included in the price.

In case of reflection of the tariff as a fixed amount, the tariff shall be charged for each transaction/document

In case of reflection of the tariff in % (percentage) ratio, the % (percentage) in accordance with the tariffs shall be charged on the amount of a transaction at the time of the transaction, but not less than the established minimum and not more than the established maximum (if available)

For branches of Subsidiary VTB Bank JSC (Kazakhstan) in Atyrau, Aktau, Aktobe and Uralsk, the fees for acceptance of payment orders during non-operational time in the presence of the technical capabilities of the Bank (the fees to be charged in addition to the basic fee) shall be charged from 16.30 Astana time.

Remuneration to counterparty banks (third banks), other additional charges for performance of Customers' orders shall be reimbursed (paid) by the Customers at actual cost of expenses incurred
