## SECTION 1. Base tariff rates for cash and settlement services for individuals

**Comments:** The commission amount in a currency other than the one prescribed by these Tariffs, not marked "At the Bank's rate", is calculated at the official rate of the National Bank of Kazakhstan prevailing at the time of transaction.

If the tariff is reflected in % (percentage) ratio, % (percentage) in accordance with the tariffs is charged from the amount of the transaction at the time of its completion, but not less than the prevailing minimum and not more than the prevailing maximum (if any).

For Bank commissions subject to VAT, the tariff is inclusive of VAT.
