#### SECTION 4. Cash and settlement services rates for correspondent banks

**Comments:** The amount of fee in a currency other than those specified in these rates, not marked "At the rate of the Bank", is calculated using the official exchange rate of the National Bank of the Republic of Kazakhstan at the time of the transaction.

For the Bank's fees subject to VAT, VAT is included in the price. In case of reflection of the rate as a fixed amount, the rate is charged for each operation/document.

In case of reflection of rate in % (percentage) ratio, % (percentage) according to rates is charged from the amount of transaction at the moment of its performance, but not less than the set minimum and not more than the set maximum.
