*For customers in the "Medium and Small Business" segment, the CSS Tariffs from Section 1-2 of Annex 1 are applied

** The amount of cash accepted shall be established by the decision of the Authorised Body of the Bank.

***If the Bank provides the corporate business customer with access to integration within the framework of Internet Banking SRBS (at the discretion of the Bank, including taking into account the technical capability of the Bank and the customer, as well as the latter's compliance with the conditions set by the Bank for receiving this service within the framework of Internet Banking SRBS), this tariff includes the cost of access to integration, as well as the cost of its use (including the reception, processing and execution of electronic requests transmitted through integration), as well as the provision of other financial services.

Comments:

The amount of the fee in the currency specified in these Tariffs not marked "At the Bank's exchange rate" is calculated using the official exchange rate of the National Bank of the Republic of Kazakhstan at the time of the transaction.

Bank's exchange rate - currency conversion rate set by the Bank at the moment of currency exchange transaction.

For the Bank's commissions subject to VAT, VAT is included in the price.

If the tariff is reflected as a fixed amount, the tariff is charged for each transaction/document

In case the tariff is reflected in % (percentage) ratio, % (percentage) in accordance with the tariffs is charged from the amount of the transaction at the time of its execution, but not less than the established minimum and not more than the established maximum (if any)

Fees of counterparty banks (third banks), other additional expenses for execution of Customers' orders shall be reimbursed (paid) by the Customers at the actual cost of the expenses incurred
